Who should attend? All staff and citizens of Nehethwuk/Inninwak First Nations should attend. The Assembly of Manitoba Chiefs is developing traditional family law templates for our five First Nation languages in Manitoba: Anishinaabeg ;Anishiniwak; Dakota Oyate; Denesuline; and Nehethowuk / Ininewak.

We are going to talk about child and family wellness and how Nehethwuk/Inninwak First Nations handles child and family issues, leading to a template law each First Nation can use to exercise their own jurisdiction.
